Make Your Mark

Direct Donation Campaign

The Make Your Mark direct donation campaign provides much needed funds for enriching opportunities at LPMS. The goal for this year is to raise \$20,000 through tax deductible gifts. The funds will go directly to positively impacting every child at Linus Pauling.

We have several exciting requests from staff this year including innovative learning resources, a before school art club, hands-on projects, extra-curricular scholarships, and learning trips that enhance all our curriculum areas. We also have traditional needs such as scholarships for year-books, track, and lunch activity equipment. Please consider the need for truly memorable experiences for our students through Make Your Mark. Every gift large or small goes a long way toward amplifying learning at LPMS. The LPMS leadership team and a PTO committee work with the principal to allocate the funds based on a strategic plan for the school year and mini-grants submitted by staff. The entire community at Linus Pauling sincerely appreciates your support!!!

Linus Pauling Middle School Parent-Teacher Organization

The objectives of the LPMS PTO are to promote the welfare of students during their middle school education experience, to promote mutual understanding between parents and school staff, thus increasing the effectiveness of the educational program; to promote good will between the community and LPMS, to provide parent volunteers when requested by LPMS staff, to present activities which stimulate student, school staff, and parent capacity, talent and spirit; and to provide a safe, secure and welcoming community for all parents of all students involved at Linus Pauling Middle School.
